Product File No: 20070323

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. SPS 384.25 (3) (c) based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of July 2012.

This alternate approval is contingent upon compliance with the following stipulation(s):

- This product may be installed for the following drain use(s):
 - a. Sanitary sewer gravity flow
 - b. Storm sewer gravity flow
- Approved under this approval for the sizes indicated above are any molded parts with a product number ending in WT.
- Combinations of the above listed fittings may be incorporated into one fitting. (i.e. triple manifold tee with manifold cleanout and extra welded inlet)
- The fittings are marked by an indelible paint pen with the following wording on top centerline of the fitting, normally near the center of the fitting. The product number, customer order number, and the contractor name or job site name.

This approval supersedes the approval issued on July 29, 2005 under product file number 2050370.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20050370.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Michael J. Beckwith, CIPE
